

## **Flu Vaccine Return Procedure 2024-2025 Season**

### **GSK, Seqirus, Sanofi**

The flu return window is open from March 1<sup>st</sup> 2025 through May 31<sup>st</sup> 2025, all flu returns must be received by May 31<sup>st</sup> to be eligible for manufacturer credit.

Contact Medico-Mart to request Return Authorization. Once you have received authorization from your Account Manager, prepare a note with the following information to include with your return shipment:

1. Medico-Mart account number
2. Shipping address where flu vaccine was sent
3. Contact details for any questions regarding your return

Once that is complete, pack and ship the vaccines to the address below (they do not have to remain refrigerated):

**Medico-Mart, Inc.**  
**Attn: Vaccine Returns**  
**2323 Corporate Dr.**  
**Waukesha, WI 53189**

Credit will be issued per manufacturer policy once all returns have been processed:

- GSK: Full credit for 15% of total 2024-2025 purchases per presentation for both full and partial packages. Additional returns above that threshold are eligible for Federal Excise Tax credit only.
- Sanofi: Full credit for 15% of total 2024-2025 purchases per presentation for both full and partial packages. Additional returns above that threshold are eligible for Federal Excise Tax credit only.
- Seqirus: Full credit for 15% of total 2024-2025 purchases per presentation for both full and partial packages. Additional returns above that threshold are eligible for Federal Excise Tax credit only.

Please contact your Medico-Mart account manager with any questions.
